Drumchester Meadows

By wind of night be gone
This is not your domain
In the sky a bird was heard in cry
Wing, morning whirring wings
And gentle stirring sounds
Behind a dusky storm
That lay all around

Hear the lark and harken
To the barking of the dog for
Come to ground
See the spooking
Of the kingfisher feeding to the water
And a man of green is strolling
Unseen beneath the trees
Laughing as it passes
Through the endless summer
Waiting for the sea

In the lily water meadow
Flay me down
All around me golden sunflakes
Gleam on the ground
Basking in the sunshine
Of a by-gone afternoon
Bringing sounds of yesterday
Into this city room

Hear the lark and harken
To the barking of the dog for
Come to ground
See the spooking
Of the kingfisher feeding to the water
And a man of green is strolling
Unseen beneath the trees
Laughing as it passes
Through the endless summer
Waiting for the sea
