

1. YOU GOT IT GOING ON

Written by Robin Zander, Rick Nielsen,
Tom Petersson, Julian Raymond

You got it goin' every night and day
Get it up, put it out, I must say
You've got the look and you've got the laugh
You know you're givin' me a heart attack

These days nothin' makes me feel better
No way I will never leave, never
Yeah, you really give it all you got
Just give me your heart now

Chorus:

You got it goin' on, yeah
You got it goin' on
You got it goin' on, yeah
You got it goin' on

You got it goin' now in every way
Get it up, get it, make no mistake
Got the look and I gotta laugh
Your love is givin' me a heart attack

These days nothin' makes me feel better
No way I will never leave, never
Really, really give it all you got
I gotta see your heart now

Repeat Chorus

And on and on and on and on and on

Repeat Chorus x2

2. LONG TIME COMING

Written by Robin Zander, Rick Nielsen,
Tom Petersson, Julian Raymond

I'm in the middle of somethin'
And it sure feels good
If it makes you feel better

Do I look like I should
So get me on a tour bus
Or put me on a plane
Take me to the city
Before I go insane

Chorus:

I can feel, I can take, I can show ya
What you want, what you need, get to know ya
I don't care what they say or the time
Believe me, you're gonna feel fine
It's been a long time comin'
It's been a long time comin' down
It's been a long time comin'
It's been a long time comin' down

Shake it, shake it, shake it
'Bout to blow my mind
A real pole grinder
I'll leave my troubles behind

Repeat Chorus x2

Long time comin'
Long time comin', babe
It's been a long time comin'
It's been a long time comin' down
Long time

3. NOWHERE

Written by Rick Nielsen, Robin Zander,
Tom Petersson, Daxx Nielsen

Don't know what you're thinkin'
I don't really have a clue
All I see is in your eyes
And what I see is me and you

Never been the voice of reason
The reason I'm so confused
So when do you think you're leavin' now
So what do you think I'll do

Tell me where you're goin' now
You know it's no place for me
It would have been nice to know
When you wanna get rid of me

Chorus:

You know this is leadin' to nowhere
And nowhere's no place to be
You know this is leadin' to nowhere
And nowhere's where you'll be

Don't know what you're thinkin'
You took the you outta me
I can see it in your eyes
What you see is never me

I'm not the voice of reason
You don't act so confused
So when do you think you're leavin' now
So what do you think you'll do

Don't tell me where you're goin' now
I don't really care to know
It could have been nice if you told me
When you wanted me to go

Repeat Chorus x3

4. RADIO LOVER

Written by Rick Nielsen, Robin Zander,
Tom Petersson, Daxx Nielsen

Ooh yeah, radio, get it up

I've got a radio lover
A real rock & roll star
A high voltage lover
Together we'll go far

Chorus:

In the evenin' when I'm lonely
And sittin' all alone
Wrap your headphones 'round me
Now, let me take you home
You're like no other lover
You come upon demand
In the mornin' when it's over
You're gone by the twist of my hand

Oh, I've got a radio lover
She's my rock & roll queen
I found you at this number
I love it when you talk to me

I've got a radio lover

Repeat Chorus

I've got a radio lover
That's my rock & roll star
A high voltage number
Together we'll go far
Sweet Jesus

You know I wanna touch you
The way that you touch me
My radio's a-blastin'
For all the world can see
I'll take you to my bedroom
Be naughty, nasty, mean
You can never walk away
You'll never leave here clean

I've got a radio lover

She's my rock & roll star

A high voltage lover

Together we'll go far

I've got a radio lover
She just radioed me
She found me at this number
I love it when she talks to me

I've got a radio lover (Repeat x4)
Sweet Jesus

5. LOLITA

Written by Tom Petersson, Robin Zander,
Rick Nielsen

Chorus:

You've got it, Lolita
You've got it, Lolita

Late at night
I give all my lovin' to my honey
Babe, tonight
I know we'll go out and paint the town

My lady likes to play
Down there by the shore
She gives me all a man can want and more

Repeat Chorus

Squeeze me tight
I never have to beg now, honey
Lay me down tonight
Down there by the shore
My island sugar baby wants some more

Repeat Chorus

You know you've got it

Repeat Chorus x3

6. BRAND NEW NAME ON AN OLD TATTOO

Written by Todd Cerney, Rick Nielsen,
Robin Zander, Tom Petersson

Like a needle in my eyes, oh yeah
All because, because of you
Heal the pain on ice
And woke up black and blue
You told me that you loved me
And then you told the truth
Told me that it's over
I got the livin' proof

I can't forget the look upon your face
I wish I could, you know, the pain I can't erase

Chorus:

Got a brand new name on an old tattoo
Better hope and pray that the pain's lovin' you
You're under my skin, get out of my heart
I knew it was trouble from the start
What else can I do
Got a brand new name on an old tattoo

A place right down on Sunset
It helped me make the change
Inked the words all over
Nothin' stays the same
So now I'm gettin' over you
You out me like a knife

I can't forget the look upon your face
I wish I could with this pain I can't erase
I remember when we banned our love
It was etched in stone
But the pain has ruined everything

Repeat Chorus

I forgot your number
But I don't forget your face
The only time I can look at you
The pain I can't erase

You're under my skin, get out of my heart
I knew it was trouble from the start
What else can I do

Got a brand new name on an old tattoo

Repeat Chorus x3

7. FLOATING DOWN

Written by Tom Petersson, Robin Zander,
Rick Nielsen

Sometimes I'm fallin' down
Some days I hit the ground
My turn to turn around, you know
Nobody showed me, all by myself
I couldn't see it, blinded by the light
Nobody helped me, no one to scold me now, oh
Nobody told me yesterday, oh baby
Here I am, fallin' to the ground
Floating down
Floating down

Lately I've become
So light, light as a feather, so
No matter whether the weather, you'll
Lay down in a field of poppies, well
Nobody told me that yesterday
No one could help me anyway, oh
Wish you could be me for one day, and yes
You'd feel those tears come falling down
Floating down
Floating down

Sands, clouds, and calming seas
Searchin' through the trees, and I'm
Countin' all the leaves, 'til she
She comes floatin' down with the breeze
Hopin' and prayin' she has come for me
Oh please, how lovely it would be, oh
If I could get up, I would turn around
But somehow, I've fallen down in this town
Floating down
Floating down

8. SHE'S ALRIGHT

Written by Robin Zander, Tom Petersson,
Rick Nielsen

She lives right across the way
Come by just the other day
No call, but that's okay
She wants me to see those
Big eyes drive me insane
She makes love like a hurricane
Well, she left just as fast as I came
But it's alright with me

She moves like no one can
With one kiss, she'll devour a man
And I'll do whatever I can
But it's so outta control
She got more than anyone else
She don't need nobody's help
Up and down on herself
She comes and she goes

Chorus:

Alright, she's alright
She's alright with me, yeah
It's alright, she's all night

She's alright with me, yeah
Alright, she's all night
She's alright with me, yeah
It's alright, she's alright
She's alright with me

Well, it's just not everyday
A girl like her comes your way
I don't know what to say
But I gotta let her know
It's not such a terrible thing
She don't want no weddin' ring
But I got plans to do my thing
But I can't let her go

Repeat Chorus x2

9. LISTEN TO ME

Written by Rick Nielsen, Robin Zander,
Tom Petersson, Daxx Nielsen

Right, right
Somethin's gotta give
Gotta keep on rockin'
Why should she

Early to bed, early to rise
Look at my leg, look at the size
Look at the size

Pre-Chorus:
Similar situation
Satisfied point of view
From where I'm standin'
All this attention
All of this points to you

Chorus:
You, you, you don't listen to me
Now, now I'm ready for you
Hope you're ready, ready as me
Well, you should listen to me
Hope you're ready for me
I know I'm ready for you
No, no you don't listen to me
I know you won't listen to me

Early to bed, early to rise
Look at my hands, look at the size
Look at the size

Repeat Pre-Chorus

Repeat Chorus

I've got a feelin' you don't approve
The one big difference 'tween me and you
One stickin' point, I'm stuck on you
So eye to eye, we'll see it through

Repeat Chorus

10. THE REST OF MY LIFE

Written by Tom Petersson, Robin Zander,
Rick Nielsen, Julian Raymond

Some days I just don't feel
Like I know my own mind
At times, I feel like I belong
It's no disguise, this love of mine
Who knows what forever is about
Be with you always and a day
Tomorrow never knows
And time waits for no one
It's a mystery anyway

Chorus:
If I could, I would
But I can't, so I won't
Love you forever
My, just the rest of my life

Will this ever pass or fade away
Will this ever change or go astray
Will I always be there where you are
It's a mystery anyway

Repeat Chorus x2

The rest of my life (Repeat x6)

11. BLACKBERRY WAY

Written by Roy Wood

Blackberry Way
Absolutely pourin' down with rain
It's a terrible day
Up with a lark
Silly girl, I don't know what to say
She was runnin' away

So now I'm standin' on the corner
Lost in the things that I said
What am I supposed to do now

Chorus:
Goodbye Blackberry Way
I can't see you, I don't need you
Goodbye Blackberry Way
Sure to want me back another day

Down to the park
Overgrowing, but the trees are bare
There's a memory there
Boats suddenly
Unattended, now they'll often drown
I'm incredibly down

Just like myself, they are neglected
Turned with my eyes to the wall
What am I supposed to do now

Repeat Chorus

Run for the train
Look behind you, for she may be there
Said a thing in the air
Blackberry Way
See the battlefield of careless sins
Cast to the winds

So full of emptiness without her
Lost in the words that I said
What am I supposed to do now

Repeat Chorus

Sure to want me back another day
Sure to want me back another day

12. LIKE A FLY

Written by Robin Zander, Rick Nielsen,
Tom Petersson

Sometimes I feel like
They talk about me like a dog
I can just hear them
Words floating through the sky in a fog
Voices keep on callin'
My skin crawls whenever

Chorus:
I see your face like a fly on the wall
In your eyes, like a fly on the wall
All the lies, like a fly on the wall
I see it all like a fly on the wall

Look over your shoulder
I'm always watchin' every move
There's no secrets left now
There's nothin' that's right, for you to prove
Voices keep on callin'
My skin crawls whenever

Repeat Chorus

Voices keep on callin'
My skin crawls whenever

Repeat Chorus

13. IF YOU STILL WANT MY LOVE

Written by Robin Zander, Rick Nielsen,
Tom Petersson, Julian Raymond

What am I gonna say, I get carried away
So sad when you're not around
Now what am I gonna do at the end of the day
So sad, like some lovesick clown

I'm losin' my mind
All of the time

Chorus:
So if you want my love
Don't put me in the middle of your hell
If you still need my love
Just don't put me in the middle of your hell
In the middle of your hell

I know that you're the one
Thought I'd touched the sun
I fell when I found you
Oh how hard I'll try, still I worry why
Why you don't want me too

Just take my hand
I wanna be your man

Repeat Chorus

Don't put me in the middle of
Don't put me in the middle of
Don't put me in the middle of your hell
(Repeat x5)
